Our Association - there are no 'members' – just Neighbors

That's right; everyone is a neighbor and is part of our neighborhood association. We don't charge 'dues' to be a member – we just ask that if you live in the neighborhood, own property in the neighborhood, visit the neighborhood, or just like us a lot, consider yourself a neighbor. You are welcome to attend each and every event and meeting. However, we do rely on the generous contributions of good folks like you to put together this newsletter, mail it, and maintain our signature baskets and other projects. So if you can donate \$1 or \$10 or more, it all helps. Use the handy form below to help if you can.
